

# ipv Delft highlights

The visual newsletter that puts ipv Delft in the spotlight.

## Buitenplaats Syon road bridge, Rijswijk(NL)

Elegant design for sophisticated **road bridge** in Rijswijk housing development. Crafty brickwork and well-thought-out details.

## European Steel Design Award

The **Zwolle public transport bridge** has been awarded the Special Bridge

## sustainable Michaux Bridge, Almere(NL)

Efficient and cost-effective **movable bridge** design. Recycled plastic decking. No rising arm barriers as bridge only opens once a year.
