

ipv Delft highlights

The visual newsletter that puts ipv Delft in the spotlight.

Michiel de Ruyter Bridge, Urk (NL)

Landmark **movable bridge** for Dutch fishing village. Connects different areas of the municipality and provides space for social interaction.

bicycle fastlane bridge, Assen (NL)

Transparent design underlines the bridge is secondary to its surroundings and provides unobstructed views. On Assen-Groningen bicycle fastlane.

publication on bridge construction cost

New free download available! Insightful **reference book** featuring cost data for 70 ipv Delft bridges plus cost indications and info on cutting costs.

De Streek bridges, Etten-Leur (NL)

Family of **four bridges** designed for new housing development. Characteristic brickwork and custom-design transparent steel railing.
